After you are approved for the Child Care Assistance Program you are responsible for payment of Parent Fees (if applicable) to your Provider. Please ask your eligibility worker for details.

To remain eligible for the Child Care Assistance Program you are responsible for providing all required information to complete your re-determination. Please ask your eligibility worker for details.

RIGHT OF APPEAL AND FAIR HEARING

If you disagree with any action taken in regards to child care benefits, you have a right to appeal.

- If your child care benefits are **denied**, you must call your child care assistance worker within 20 days of the date of that denial to say that you want to appeal.
- If your child care benefits are **changed**, you must call your child care assistance worker within 20 days of the date of the notice of the change to say that you want to appeal.
- If your child care benefits are **terminated**, you must call your child care assistance worker <u>before</u> the effective date of the termination to say that you want to appeal.

A hearing will be scheduled by the county department. At the hearing, you will be given an opportunity to present your case. The person(s) reviewing your case are not responsible for the decision or change you disagree with.

Before you decide to request a county hearing, we encourage you to talk with your county department child care worker first, and then the worker's supervisor. Often your questions and concerns can be settled by talking to county staff who are responsible for making the change in your child care subsidies.

After you have completed a county hearing, if you still disagree with the decision, you may appeal the decision to the State by following these steps:

1. Write a letter to: **Division of Administrative Hearings**

633-17th St, 13th Floor Denver, CO 80202

- 2. You must get the letter in the mail not later than 15 days after the county hearing decision has been made.
- 3. In the letter you need to say that you want to appeal the county hearing decision and why you want to appeal the decision. If you need help doing this you can ask anyone you desire to help you, or talk to a legal aid office, or ask your County Social Services people to help you.
- 4. When your letter is received, you will get a letter from the Office of Appeals explaining what will be done and the date for the appeal hearing. It will also explain who can come with you, who can present testimony and other information about the hearing.

You should be aware that the state and county are required to attempt to collect or get repayment of all benefits provided you for which you were not entitled.
